

Corrections to the Edexcel IGCSE Specification (Issue 2, April 2005)
for Modern Foreign Languages (MFL): French (4365), German (4375),
Spanish (4440)

For examination in May and November 2006, 2007, 2008
Spanish (4440) to be assessed from May 2007

Please note the following corrections to two errors in this Specification:

1. In Appendix 5, page 42, the timetabled length of the Paper 1, Listening, is described as 50 minutes.
This is incorrect and should state that Paper 1, Listening, is 30 minutes plus 5 minutes' reading time. The correct times are given on pages 4 and 5.
2. In Appendix 6, on page 50, centres are asked to send in parcel 2 "All cassettes and **both** copies of LT3 for **all** candidates".
This is incorrect and should read "All cassettes and **one** copy of the Candidate Cover Sheet (Appendix 7) for **each** candidate."

Edexcel apologies for any inconvenience caused by these errors.
